SPECIAL NOTICES.

To the Public. OCTOBER 1st, 1861 I was afflicted with inflammatory rhequiatism for weeks, not able to walk a step, and suffering more than any human tongue can express. I heard that Memra Cayce & Son of this city, had a medicine called the Ambrodial Oil, and believing they would not sell an arcle in the way of medicine, without its being valuable, and feeling like a drowning wan catching at straws, and having had the attention of various physicians without elief, I sent and got a few bottles, and astonishing to say, I found almost immediate relief, and now I am at WM. As may be seen, we insert this week the advertise ment of McLlean's Cordial, etc. It is very well known we are not porticularly favorable to patent medicines, and, as a general thing, eachew the whole of them with but little coremony, and with these sentiments we declined inserting this advertisement until we knew what were the ingredients of the medicine, and how compounded. This we have learned and believing, as we do, that the ingredients are good, unteed,

speaks volumes in favor of McLean's Cordial. We say to all, try it. See the advertisement in another column. Menstruction, and all diseases caused by deviating from THE ENTIRE MATERIAL of our old office, the path of nature, and indulging in Self-Pollution.
